

Girls' Field Day Champions at Blenheim were: Mary Lugtigheid, Senior division, Sandra Hyatt, Intermediate division, and Judy Stover, Junior division.

Participation in the field day events this year was quite good and Blenheim was well-represented by the girls at the Kent County and WOSSA meets.

#### Intramural Games

Intramural sports are very popular among the girls as shown by the fact that ninety-five per cent of them participated in the intramural volleyball tournament. The games were played off at noon hours in the gymnasium with students officiating. In the Junior division, team 9A emerged from the struggle as champs, while 12A were the victors in the Senior Department.
